

CASHNet SmartPay Banking Option

The lower cost way to accept credit cards on campus

Extend Student Services

- ✓ 24x7 self-service with single sign-on campus portal integration and self registration
- ✓ Offer students a convenient and secure way to view their student charges and select new items to pay on the web
- ✓ Enable students to access their payment history, view/print receipts and setup Parent PINs

Extend Campus Resources

- ✓ CASHNet handles payment authorization, bank reconciliation and batch settlement
- ✓ CASHNet staffs the SmartPay Help Desk to assist students and authorized payers
- ✓ CASHNet is VISA CISP certified and complies with all credit card and banking regulations
- ✓ CASHNet meets all FERPA and GLB-Act mandates

Integration and Management

- ✓ CASHNet transmits payment information to the appropriate campus systems
- ✓ Uniformly deploy and enforce campus commerce rules & regulations
- ✓ Effectively manage your business using customizable reports with embedded pie/ bar charts trail for auditing & trend analysis

Stop Burning \$250,000 a Year in Credit Card Fees

What our customers are saying...

"The (SmartPay) system will now allow the university to focus even more on students, and...that the money the university will save...will be put back into student services [such as cashiering, enrollment, and counseling] as well as classes."
